As requested, please see the list below of tasks completed by Motherly Intersession to assist with completing Operation Restoration in the Genesee County Jail.

Survey in-custody inmates to determine eligible children.

Conduct face-to-face interviews of inmates to collect the children's names and ages as well as the contact information for the parent(s)/guardian(s)/caretaker(s).

Communicate with GCSO staff to confirm any court orders or restrictions preventing the inmate from having a contact visit with their child.

Contact parent(s)/guardian(s)/caretaker(s) to gain consent for the child to attend a contact visit with the incarcerated parent.

They verify parental rights.

Confirm with GCSO staff the inmate(s) housing unit location and eligibility for an in-person visit.

Staff is present every other Saturday from 8:00 AM until visits are completed 2 – 3:00 PM. During this time, they complete check-ins, assists with searches of minor children, escort children to the visiting area, and oversee the engagement of parent(s) and children during the visit.

Let me know if you need anything else.
