CFDA No. 45.025

The MICHIGAN ARTS AND CULTURE COUNCIL (the "Council") and 7th JUDICIAL CIRCUIT COURT - FAMILY DIVISION, (the "Grantee") enter this Grant Agreement for Arts Services ("Grant Agreement") on October 16, 2024 and mutually agree as follows:

2. Grant Agreement Period

The period of this Grant Agreement shall be from October 1, 2024 (the "Start Date") to September 30, 2025 (the "End Date", and together with the Start Date, the "Term"), unless terminated pursuant to Section 7.

3. Project(s) Funded

Beginning on the Start Date, the Grantee shall: use the Award amounts (outlined below) to complete the respective programming for the Grantee's projects as further described in Appendix A attached hereto (collectively, the "Project").

Experience Support Program

	Awarded Amount	Matching Funds Required
Project Support	\$12,000	
Facility Improvement & Equipment Purchase	\$398	
Transportation	\$1,050	
Total:	\$13,448	\$3,362

The Grantee shall comply with all financial and other requirements as outlined in the 2025 MACC Experience Support Grant Program Guidelines, which are incorporated herein and are made part of this Grant Agreement by reference.

The Grantee understands and agrees with the following program standards (the "Program Standards"):

- a. Artistic excellence and artistic merit are criteria by which applications are judged, taking into consideration general standards of decency and respect for the diverse beliefs and values of the people of Michigan.
- b. Obscenity is without artistic merit, is not protected speech, and will not be funded by a grant awarded by the Council and supported with State appropriations.

The Grantee understands that if the Grantee violates any of the Program Standards (1) the Council may withhold all undistributed Award payments from the Grantee and (2) at the sole discretion of the Council, the Grantee may be disqualified from awards of future Council grants for a period of up to three (3) years from the date of the violation. Additionally, the Council may demand full repayment of any Award proceeds distributed to the Grantee as further described in Section 6.

4. Terms and Conditions of Payment

The Council shall pay the Grantee an amount not to exceed the Award on the following dates and in the following amounts, subject to the Grantee's compliance with the Grant Agreement. The Council, in its sole discretion, shall determine whether the Grantee has fulfilled all Grant Agreement terms and conditions. If the Council determines that the Grantee has failed to comply with any term or condition of this Grant Agreement, the Grantee shall not be entitled to any payment listed below which may include a clawback of the

Award as described in Section 6:

Amount:	Date:	Stipulation:
\$13,448	12/20/2024	Upon processing of a fully executed copy of this Grant Agreement and copies of Governor and Legislative notifications

The Grantee shall meet the above listed conditions at least 30 days prior to the indicated payment date, so that the Council will have adequate time to process scheduled payments. Failure of the Grantee to comply with any deadlines will delay payment or may cause termination of this Grant Agreement pursuant to Section 7. In the event this Grant Agreement needs to be approved by the State Administrative Board or Office of Financial Management, it shall be contingent upon such approval and no Award payments shall be made until this contingency is satisfied.

Further, the Grantee acknowledges that the Council's payment of the Award is dependent upon the continued receipt of government funding. In the event that the State Legislature or any State official, commission, authority, body, or employee, or the federal government (a) takes any legislative or administrative action, which fails to provide, terminates, or reduces the funding necessary for this Grant Agreement, or (b) takes any legislative or administrative action, which is unrelated to the source of funding for this Grant Agreement, but which affects the Council's ability to fund and administer this Grant Agreement, and other Council programs, then the Council may terminate this Grant Agreement by providing notice to the Grantee of termination in accordance with the notice requirements in Section 7.

As required in Section 1, the Grantee may be required to provide evidence of Matching Funds sourced from local and/or private sources. The Matching Funds may include the reasonable value of services, materials, and equipment as allowed under the Internal Revenue Code for charitable contributions, subject also to the pre-approval of such a match by the Council. For Awards under the Mission Support and Experience Support Programs the Council shall receive proof of the entire amount of the Matching Funds by the End Date.

No member of the State Legislature or any individual employed by the State may share in the Award or share in any benefit that arises from the Award.

The Council requires the payments under this Grant Agreement be processed by electronic funds transfer (EFT). The Grantee is required to register to receive payments by EFT at the State Integrated Governmental Management Applications (SIGMA) Vendor Self Service (VSS) website (www.michigan.gov/VSSLogin).

5. **Redistribution Prohibition**

The Grantee may not redistribute any of the Award or the Matching Funds to any other entity, unless specifically provided for in this Grant Agreement.

6. **Clawback**

The Grantee may be required to repay all or a portion of the Award upon the occurrence of one or more of the following events (each resulting in a "Repayment Event"):

- Failure to complete the Project: If the Grantee fails to complete the Project by the End Date.
- Failure to adhere to the Program Standards: If the Grantee fails to adhere to the Program Standards as described in Section 3 of this Grant Agreement during the Term.
- Failure to Meet Reporting Requirements: If the Grantee fails to submit a timely and accurate final report as required in Section 15 of this Grant Agreement.
- Failure to Provide Proof of Matching Funds: If the Grantee fails to secure and provide verifiable proof of Matching Funds as required in Section 4 of this Grant Agreement.

The amount owed under a Repayment Event will be determined at the sole discretion of the Council (the "Repayment Amount"). The Council will provide written notice of the Grantee specifying the Repayment Event, the Repayment Amount, and providing thirty (30) days to cure the Repayment Event prior to initiating any clawback actions.

The Grantee shall repay any Repayment Amount under this provision within sixty (60) days of receiving written notice of the Repayment Event from the Grantor. Failure to repay the Repayment Amount within this period may result in legal action, and the

Grantee shall be responsible for any additional costs incurred by the Council in the process of collecting the Repayment Amount. Additionally, any Grantee who fails to repay the Repayment Amount may be disqualified from awards of future Council grants for a period of up to three (3) years from the date of the written notice of the Repayment Event.

7. Termination of Grant Agreement

The Council may terminate this Grant Agreement for any reason by giving five (5) days written notice to the Grantee. Upon termination, the Council shall have no further obligation to make any further payments described in Section 5.

8. Grantee's Liability

The Grantee will furnish and maintain the following items during the Term: public liability, property damage, and workers' compensation insurance insuring, as they may appear, the interests of the parties to this Grant Agreement. The Grantee shall secure all necessary certificates, licenses, permits or other proper authorization from municipal or other public authorities and comply with all national, state, and municipal laws, ordinances, and regulations as may be required in connection with the performance of this Grant Agreement.

9. Limitation of Liability

The State of Michigan, and the Council, and their organizational units, officers, agents, and employees shall not be liable to the Grantee, nor to any individuals or entity with whom the Grantee contracts, for any direct, indirect, incidental, consequential or other damages incurred as a result of activities, actions or inactions on the part of the Grantee for services rendered pursuant to this Grant Agreement including litigation; the Council's decision not to make an Award payment to the Grantee pursuant to Section 5; or termination of this Grant Agreement pursuant to Section 7.

Any liability resulting from activities, actions or inactions engaged in by the Grantee under the Grant Agreement shall be the sole responsibility of the Grantee. Any liability resulting from activities, actions or inactions engaged in by individuals or entities with whom the Grantee contracts shall be the sole responsibility of the subgrantee or as otherwise specified in a subgrant agreement between the Grantee and the subgrantee; however, under no circumstances shall the State, or the Council, and their organizational units, officers, agents and employees be liable for the activities of the Grantee or any subgrantee. The Council shall not be required to indemnify the Grantee or any subgrantee. The Grantee, to the extent permitted by law, shall be required to indemnify the Council in any litigation that may arise from the performance of this Grant Agreement or any subgrant agreement executed to fulfill this Grant Agreement. This section shall not be construed as a waiver of governmental immunity.

10. Third Party Beneficiary

11. Support Credit

Furthermore, no part of any project or production which is financed in whole or in part under this Grant Agreement will be implemented under working conditions which are unsanitary, hazardous or evidence of compliance. APPENDIX A

Project Support: (Description of Project)

The mission of juvenile courts is to rehabilitate youth who have become involved with the justice system. The 7th Judicial Circuit Court, Family Division is recognized throughout the state as a leader in developing and implementing innovative trauma-informed programming for justice-involved youth. The recent opening of the state of the art Genesee County Juvenile Justice Center (GCJJC) will allow us to expand our services by providing a holistic continuum of care to Flint and Genesee County's youth and their families.

Over the last 13 years, visual and performing arts programming has been an essential component of our services. Research shows that arts programming offers one of the best ways to help justice-involved youth, such as those in Flint and Genesee County, heal and learn to address the issues that have led to their involvement with the justice system. As stated in a 2021 Literature Review by the federal Office of Juvenile Justice and Delinquency Prevention (OJJDP):

"The arts provide a nonthreatening, engaging way for children and adolescents to express their feelings, manage emotional and behavioral problems, cope with trauma and victimization, develop artistic talents and skills, and improve strengths and assets they already possess (Riley, 2001; Clawson and Coolbaugh, 2001; Coholic, Schwabe, and Lander, 2020)."

Since 2011, the 7th Judicial Circuit Court, Family Division, has partnered with Youth Arts: Unlocked (YAU) to provide weekly strengths-based, trauma informed visual and performing arts programming to justice involved youth in our county. The Court contracts with YAU to conduct workshops for youth in detention as well as youth in our day treatment program. YAU, a nationally recognized provider of arts programming for justice-involved youth, was recently selected by the U.S. Justice Department to receive a highly selective "Arts Programs for Justice Involved Youth" program grant.

Funding is being sought for visual arts workshops to be offered to youth in detention as well as residential and day treatment. In the visual arts workshops, teaching artists work with students on projects that allow them to express themselves, learn new ideas and techniques, connect with each other and the instructors, and discover that they can create and succeed. Each lesson includes components of art history, introduction of new theories and techniques, and practice in design and composition. Teaching artists employ a variety of mediums including pencil drawing, charcoal, pastels, various types of paints, clay, block prints, as well as multi and mixed media.

The youths' works are exhibited at the GCJJC, in community and on-line exhibits and in print publications. Their work is also entered into an annual juried competition for all area high school students.

The Court and YAU evaluate the effectiveness of the programming through weekly student and teaching artist surveys and focus groups which are held several times per year. Both the surveys and the focus groups consistently show that involvement with the arts has had a positive impact on the youth.

Facility Improvement & Equipment Purchase: (Description of Request)

Flatbed high resolution scanner-

We are seeking funds to purchase a flatbed scanner for use at the GCJJC. A scanner is needed so that we can produce high resolution digital images of the youths' artwork for use on our website and social media sites. A scanner would also allow us to create high quality reproductions of the youths' works for in person exhibits at the GCJJC and in the community. Scanned images would also be used in our print and online anthologies and publications.

* Equipment request amount was not the same as the proof of cost. Didn't provide the correct links in the supplemental questions.

Transportation: (Description of Request)

We are seeking transportation funding for two (2) field trips for youth in our Day Treatment program. The first field trip would be to the Flint Institute of Arts (FIA) for a guided tour of the FIA's annual African American art exhibit. During the tour they will also engage in an art activity associated with the exhibit. The second field trip would be to the Greater Flint Arts Council during the month of April to view the "Young Artists Today" exhibit. This exhibit features the work of area high school students, including many of the youth participating in our day treatment program.
