

CABLE LOCK

Price Range: \$10–\$50

A cable lock can be used on most firearms, allows for quick access in an emergency and offers security from theft. The cable runs through the barrel or action of a firearm to prevent it from being accidentally fired, requiring either a key or combination to unlock it.

LOCK BOX

Price Range: \$25–\$350

With integrated locks, storage boxes provide reliable protection for firearms, and allow gun owners to legally transport them outside of their home.

FROM DAMAGE

ELECTRONIC LOCK BOX

Price Range: \$50–\$350

Electronic lock boxes are an effective way to store or legally transport firearms, and they also prevent theft since only the person with the code can access the contents. Some electronic lock boxes are specially designed for quick access to stored firearms.

FULL SIZE AND BIOMETRIC GUN SAFES

Price Range: \$200–\$2,500

A gun safe protects its contents from the elements and allows owners to safely store multiple firearms in one place. Gun safes of all sizes are now available with biometric options to ensure only certain people have access.
