RE: Sole Source Solicitation # 25-429

On January 22, 2025, the Purchasing Department posted a Sole Source Procurement to the Genesee County's website and bidnet for Substances Use Disorder Medicated Assisted Treatment Services. The solicitation noted that the intent of the posting is to verify that the proposed request is a valid sole source. The solicitation further stated that interested parties were to submit information to object these requested services as sole-source if their organization could provide said service. As of the due date of the solicitation, February 13, 2025, before 2:00 pm, Purchasing did not receive any correspondence to challenge the sole source solicitation. Therefore, you may proceed with the process of awarding New Path, Inc a contract for Substances Use Disorder Medicated Assisted Treatment Services.
