A. Publication Rights

1. For materials produced in collaboration with both parties, ownership vests in both parties. For materials produced solely by grantee, grantee retains ownership, but provides the Department a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, and use such materials copyrighted by the Grantee and authorizes others to reproduce and use such materials. The copyrighted materials cannot include recipient information or personal identification data.
2. Obtain prior written authorization from the Department's Office of Communications to use the Department's name for any materials copyrighted by the Grantee or modifications prior to reproduction and use of such materials.
3. The state of Michigan may modify the material copyrighted by the Grantee and may combine it with other copyrightable intellectual property to form a derivative work. The state of Michigan will own and hold all copyright and other intellectual property rights in any such derivative work, excluding any rights or interest granted in this Agreement to the Grantee. If the Grantee ceases to conduct business for any reason or ceases to support the copyrightable materials developed under this Agreement, the state of Michigan has the right to convert its licenses into transferable licenses to the extent consistent with any applicable obligations the Grantee has.

C. Grant Program Operation

Provide the necessary administrative, professional, and technical staff for operation of the grant program. The Grantee must obtain and maintain all necessary licenses, permits, or other authorizations necessary for the performance of this Agreement.

The Grantee will comply with the Pro-Children Act of 1994 (P.L. 103-227; 20 U.S.C. 6081, *et seq.*), which requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted by and used routinely or regularly for the provision of health, day care, early childhood development activities, education, or library activities to children under the age of 18, if the activities are funded by federal programs either directly or through state or local governments, by federal grant, contract, loan, or loan guarantee. The law also applies to children's activities that are provided in indoor facilities that are constructed, operated, or maintained with such federal funds. The law does not apply to children's activities provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; activity providers whose sole source of applicable federal funds is Medicare or Medicaid; or facilities where Women, Infants, and Children (WIC) coupons are redeemed. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 for each violation and/or the imposition of an administrative compliance order on the responsible entity. The Grantee also assures that this language will be included in any subawards which contain provisions for children's activities.
2. The Grantee also assures, in addition to compliance with P.L. 103-227, any activity funded in whole or in part through this Agreement will be delivered in a smoke-free facility or environment. Smoking must not be permitted anywhere in the facility, or those parts of the facility under the control of the Grantee. If activities are delivered in facilities or areas that are not under the control of the Grantee (e.g., a mall, restaurant, or private work site), the activities must be smoke-free.

F. Hatch Act and Intergovernmental Personnel Act

The Grantee will comply with the Hatch Act (5 U.S.C. 1501-1508, 5 U.S.C. 7321-7326), and the Intergovernmental Personnel Act of 1970 (P.L. 91-648), as amended by Title VI of the Civil Service Reform Act of 1978 (P.L. 95-454). Federal funds cannot be used for partisan political purposes of any kind by any person or organization involved in the administration of federally assisted programs.

G. Employee Whistleblower Protections

The Grantee will comply with 41 U.S.C. 4712 and must insert this clause in all subcontracts.

H. Clean Air Act and Federal Water Pollution Control Act

The Grantee will comply with the Clean Air Act (42 U.S.C. 7401-7671(q)) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1388), as amended. This Agreement and anyone working on this Agreement will be subject to the Clean Air Act and Federal Water Pollution Control Act and must comply with all applicable standards, orders, or regulations issued pursuant to these Acts. K. Subcontracts

For any subcontracted activity or product, the Grantee will ensure:

1. That a written subcontract is executed by all affected parties prior to the initiation of any new subcontract activity or delivery of any subcontracted product. Exceptions to this policy may be granted by the Department if the Grantee asks the Department in writing within 30 days of execution of the Agreement.
2. That any executed subcontract to this Agreement must require the subcontractor to comply with all applicable terms and conditions of this Agreement. In the event of a conflict between this Agreement and the provisions of the subcontract, the provisions of this Agreement will prevail.

A conflict between this Agreement and a subcontract, however, will not be deemed to exist where the subcontract:

- a. Contains additional non-conflicting provisions not set forth in this Agreement;
- b. Restates provisions of this Agreement to afford the Grantee the

same or substantially the same rights and privileges as the Department; or

- c. Requires the subcontractor to perform duties and/or activities in less time than that afforded the Grantee in this Agreement.
3. That the subcontract does not affect the Grantee's accountability to the Department for the subcontracted activity.
4. That any billing or request for reimbursement for subcontract costs is supported by a valid subcontract and adequate source documentation on costs and activities.
5. That the Grantee will submit a copy of the executed subcontract if requested by the Department.

L. Procurement

1. Grantee will ensure that all purchase transactions, whether negotiated or advertised, are conducted openly and competitively in accordance with the principles and requirements of 2 CFR 200.
2. The funds must not be used for the purchase of foreign goods or services, or both, if competitively priced and of comparable quality American goods or services, or both, are available.
3. Preference must be given to goods and services manufactured or provided by Michigan businesses, if they are competitively priced and of comparable quality.

5. Records must be sufficient to document the significant history of all purchases and must be maintained for a minimum of four (4) years after the end of the Agreement period.

M. Health Insurance Portability and Accountability Act

To the extent that the Health Insurance Portability and Accountability Act (HIPAA) is applicable to the Grantee under this Agreement, the Grantee assures that it is in compliance with requirements of HIPAA including the following:

1. The Grantee must not share any protected health information provided by the Department that is covered by HIPAA except as permitted or required by applicable law, or to a subcontractor as appropriate under this Agreement.
2. The Grantee will ensure that any subcontractor will have the same obligations as the Grantee not to share any protected health data and information from the Department that falls under HIPAA requirements in the terms and conditions of the subcontract.
3. The Grantee must only use the protected health data and information

for the purposes of this Agreement.

4. The Grantee must have written policies and procedures addressing the use of protected health data and information that falls under the HIPAA requirements. The policies and procedures must meet all applicable federal and state requirements including the HIPAA regulations. These policies and procedures must include restricting access to the protected health data and information by the Grantee's employees.
5. The Grantee must have a policy and procedure to immediately report to the Department any suspected or confirmed unauthorized use or disclosure of protected health information that falls under the HIPAA requirements of which the Grantee becomes aware. The Grantee will work with the Department to mitigate the breach and will provide assurances to the Department of corrective actions to prevent further unauthorized uses or disclosures. The Department may demand specific corrective actions and assurances and the Grantee must provide the same to the Department.
6. Failure to comply with any of these contractual requirements may result in the termination of this Agreement in accordance with Part 2, Section V.
7. In accordance with HIPAA requirements, the Grantee is liable for any claim, loss, or damage relating to unauthorized use or disclosure of protected health data and information, including without limitation the Department's costs in responding to a breach, received by the Grantee from the Department or any other source.
8. The Grantee will enter into a business associate agreement should the Department determine such an agreement is required under HIPAA.

N. Website Incorporation

The Department is not bound by any content on Grantee's website or other internet communication platforms or technologies, unless expressly incorporated directly into this Agreement. The Department is not bound by any end user license agreement or terms of use unless specifically incorporated in this Agreement or any other agreement signed by the Department. The Grantee must not refer to the Department on the Grantee's website or other internet communication platforms or technologies without the prior written approval of the Department.

O. Survival

The provisions of this Agreement, including all attachments and addendums, that impose continuing obligations will survive the expiration or termination of this Agreement.

P. Non-Disclosure of Confidential Information

1. The Grantee agrees that it will use confidential information solely for the purpose of this Agreement. The Grantee agrees to hold all confidential information in strict confidence and not to copy, reproduce, sell, transfer, or otherwise dispose of, give, or disclose such confidential information to third parties other than employees, agents, or subcontractors of a party who have a need to know in connection with this Agreement or to use such confidential information for any purpose whatsoever other than the performance of this Agreement. The Grantee must take all reasonable precautions to safeguard the confidential information. These precautions must be at least as great as the precautions the Grantee takes to protect its own confidential or proprietary information.
2. Meaning of Confidential Information
For the purpose of this Agreement the term "confidential information" means all information and documentation that:
 - a. Has been marked "confidential" or with words of similar meaning, at the time of disclosure by such party;
 - b. If disclosed orally or not marked "confidential" or with words of similar meaning, was subsequently summarized in writing by the disclosing party and marked "confidential" or with words of similar meaning;
 - c. Should reasonably be recognized as confidential information of the disclosing party;
 - d. Is unpublished or not available to the general public; or
 - e. Is designated by law as confidential.
3. The term "confidential information" does not include any information or documentation that was:
 - a. Subject to disclosure under the Michigan Freedom of Information Act (FOIA);
 - b. Already in the possession of the receiving party without an obligation of confidentiality;
 - c. Developed independently by the receiving party, as demonstrated by the receiving party, without violating the disclosing party's proprietary rights;
 - d. Obtained from a source other than the disclosing party without an obligation of confidentiality; or
 - e. Publicly available when received or thereafter became publicly available (other than through an unauthorized disclosure by, through, or on behalf of, the receiving party).
4. The Grantee must notify the Department within one business day after discovering any unauthorized use or disclosure of confidential

information. The Grantee will cooperate with the Department in every way possible to regain possession of the confidential information and prevent further unauthorized use or disclosure.

Q. Cap on Salaries

None of the funds awarded to the Grantee through this Agreement will be used to pay, either through a grant or other external mechanism, the salary of an individual at a rate in excess of Executive Level II. The current rates of pay for the Executive Schedule are located on the United States Office of Personnel Management web site, <http://www.opm.gov>, by navigating to Policy — Pay & Leave — Salaries & Wages. The salary rate limitation does not restrict the salary that a Grantee may pay an individual under its employment; rather, it merely limits the portion of that salary that may be paid with funds from this Agreement.

IV. Financial Requirements

A. Operating Advance

1. Operating Advance Requests

An operating advance may be requested by the Grantee to assist with program operations necessary for achieving the objectives set forth in this Agreement. The amount requested to be advanced must not exceed 16.67% of the total state agreement amount. The operating advance amount requested must be reasonable in relation to factors including but not limited to program requirements, the period of the Agreement, and the financial obligation. To initiate a request, the Grantee must follow these guidelines.

- a. The Grantee must ensure all requests for an operating advance are prepared and submitted in accordance with the specific guidelines and procedures as outlined in Part II, Chapter 10, Section 200 of the Financial Management Guide. FMG
- b. The Grantee must address all requests for an operating advance to the Contract Manager, as identified in Part 1, Section 8 of this grant agreement.
- c. The request must be submitted in writing on the Grantee's official letterhead and include the following information:
 1. Grant program name;
 2. Grantee agency name;
 3. Grant agreement number;
 4. Amount of the advance being requested;
 5. A detailed schedule of expenditures covered by the amount of the advance request, including dates that the expenses are expected to be incurred;

6. A justification statement outlining the necessity of an advance payment for the success of the project;
7. The reason an advance payment is needed in lieu of reimbursement of incurred expenses;
8. The Grantee's most recent audited financial statements.

2. Operating Advance Administration

The Department may, at its discretion, disburse an initial operating advance payment equal to the amount approved by the department, constituting no more than 16.67% of the grant state agreement amount after the execution of the grant agreement and approval of the operating advance request. The operating advance payments will be administered as follows:

- a. Operating advances will be monitored and adjusted by the Department relative to the Agreement amount.
- b. The operating advance must be recorded as an account payable liability to the Department in the Grantee's financial records. The operating advance payable liability must remain in the Grantee's financial records until fully recovered by the Department.
- c. Recovery of the operating advance shall be made through deductions from each payment to the grantee during the fiscal year in which the operating advance was issued.
- d. The Department reserves the right to accelerate the rate of recovery when, in the sole opinion of the Department, the amount of previous and/or future billings is anticipated to be less than the need to assure full recovery of the operating advance from the current year's award. In such a case, payments may be adjusted to recover up to 100% of the outstanding operating advance from a single billing
- e. The operating advance must be returned to the Department within 30 days of the end of the Department's fiscal year or end date of this Agreement, whichever is earliest. Subsequent Department agreements may not be executed if an outstanding operational advance has not been repaid.
- f. The Department requires an annual confirmation of the outstanding operating advance. At the end of either the Agreement period or Department's fiscal year, whichever is earliest, the Grantee must respond to the Department's request for confirmation of the operating advance. Failure to respond to the confirmation request may result in the Department recovering all or part of an outstanding operating advance.

B. Reimbursement Method

The Grantee will be paid for allowable expenditures incurred by the Grantee, submitted for reimbursement on the Financial Status Reports (FSRs), and approved by the Department. Reimbursement from the Department is based on the understanding that Department funds will be paid up to the total Department allocation as agreed to in the approved budget. Department funds are the first source after the application of fees and earmarked sources unless a specific local match condition exists.

C. Financial Status Report Submission

The Grantee must electronically prepare and submit FSRs to the Department via the EGrAMS website <http://egram-mi.com/mdhhs>.

FSRs must be submitted on a monthly basis, no later than 30 days after the close of each calendar month. The monthly FSRs must reflect total actual program expenditures, up to the total agreement amount. Adjustments should not be made to reported expenditures to account for any operational advance funding received. Failure to meet financial reporting responsibilities as identified in this Agreement may result in withholding future payments.

The Grantee representative who submits the FSR is certifying to the best of their knowledge and belief that the report is true, complete, and accurate and the expenditures, disbursements, and cash receipts are for the purposes and objectives set forth in the terms and conditions of this Agreement. The individual submitting the FSR should be aware that any false, fictitious, or fraudulent information, or the omission of any material facts, may subject them to criminal, civil, or administrative penalties for fraud, false statements, false claims, or otherwise.

The instructions for completing the FSR form are available on the EGrAMS website <http://egram-mi.com/mdhhs>. Send FSR questions to FSRMDHHS@michigan.gov.

D. Reimbursement Mechanism

All Grantees must register using the on-line vendor self-service site to receive all state of Michigan payments as Electronic Funds Transfers (EFT)/Direct Deposits, as mandated by MCL 18.1283a. Vendor registration information is available through the Department of Technology, Management and Budget's web site: <https://www.michigan.gov/sigmavss>.

E. Final Obligations and Financial Status Reporting Requirements

1. Obligation Report

The Obligation Report, based on annual guidelines, must be submitted by the due date established by and using the format provided by the Department's Expenditures Operations Division. The Grantee must provide an estimate of unbilled expenditures through the end of the

Department's fiscal year. The information on the report will be used to record the Department's year-end accounts payable and receivable for this Agreement.

2. Department Fiscal Year-End Closing

The Department will notify the Grantee of the date by which FSRs should be submitted to ensure timely payment processing during the Departments fiscal year end closing period.

3. Final FSRs

Final FSRs are due 30 days following the end of the Agreement period. The final FSR must be clearly marked "Final." Final FSRs not received by the due date may result in the loss of funding requested on the Obligation Report and may result in a potential reduction in a subsequent year's Agreement amount.

F. Recoupment

The Department reserves the right to recoup, reclaim, or otherwise collect any funding disbursed under this agreement that are unspent, misused, or outstanding from the grantee.

1. Unobligated Funds

Any unobligated balance of funds held by the Grantee at the end of the Agreement period will be returned to the Department within 30 days of the end of the Agreement or treated in accordance with instructions provided by the Department.

2. Misused Funds

If the Department reasonably determines the funds allocated for an executed grant agreement under this section were misused or their use misrepresented by the grantee, the Department shall not award any additional funds under that executed grant agreement and shall refer the grant for review following internal audit protocols. Funds are considered misused if they are spent in a manner that is not consistent with the terms, conditions, or purpose(s) outlined in this agreement. Misuse of funds may also include, but is not limited to, fraudulent or illegal activities.

3. Outstanding Operating Advances

The operating advance must be returned to the Department within 30 days of the end of the Department's fiscal year or the end date of this Agreement, whichever, is earliest. Outstanding operating advances will be treated in accordance with instructions provided by the Department. Subsequent Department agreements may not be executed if an outstanding operational advance has not been repaid.

G. Indirect Costs

The Grantee may use an approved federal or state indirect rate in their budget calculations and financial status reporting. If the Grantee does not have an existing approved federal or state indirect rate, they may use a 15% de minimis rate in accordance with 2 CFR 200 to recover their indirect costs. Subrecipients may elect to use the cost allocation method to account for indirect costs in accordance with § 200.405(d).

V. Agreement Termination

This Agreement may be terminated without further liability or penalty to the Department for any of the following reasons:

- A. By either party by giving 30 days written notice to the other party stating the reasons for termination and the effective date.
- B. Immediately if the Grantee or an official of the Grantee or an owner is convicted of any activity referenced in Part 2 Section I
- C. Immediately if the Grantee, as determined by the State:
 - 1. Endangers the value, integrity, or security of any facility, data, or personnel; or,
 - 2. Engages in any conduct that may expose the State to liability; or
 - 3. Violates this agreement.
- D. Immediately by mutual agreement of both parties.

VI. Stop Work Order

The Department may suspend any or all activities under this Agreement at any time. The Department will provide the Grantee with a written stop work order detailing the suspension. Grantee must comply with the stop work order upon receipt. The Department will not pay for activities, Grantee's incurred expenses or financial losses, or any additional compensation during a stop work period.

VII. Final Reporting Upon Termination

Should this Agreement be terminated by either party, within 30 days after the termination, the Grantee must return all State and federal data and provide the Department with all financial, performance, and other reports required as a condition of this Agreement. The Department will make payments to the Grantee for allowable reimbursable costs not covered by previous payments or other state or federal programs. The Grantee must immediately refund to the Department any funds not authorized for use and any payments or funds advanced to the Grantee in excess of allowable reimbursable expenditures.

VIII. Severability

If any part of this Agreement is held invalid or unenforceable by any court of competent jurisdiction, that part will be deemed deleted from this Agreement and the severed part will be replaced by agreed upon language that achieves the same or similar objectives. The remaining parts of the Agreement will continue in full force and effect.

IX. Waiver

Failure by the Department to enforce any provision of this Agreement will not constitute a waiver of the Department's right to enforce any other provision of this Agreement.

X. Amendments

Any changes to this Agreement will be valid only if made in writing and executed by all parties through an amendment to this Agreement. Any change proposed by the Grantee which would affect the Department funding of any project must be submitted in writing to the Department immediately upon determining the need for such change. The Department has sole discretion to approve or deny the amendment request. The Grantee must, upon request of the Department and receipt of a proposed amendment, amend this Agreement.

XI. Liability

The Grantee assumes all liability to third parties, including loss or damage because of claims, demands, costs, or judgments arising out of activities, such as but not limited to direct activity delivery, to be carried out by the Grantee in the performance of this Agreement, under the following conditions:

- A. The liability, loss, or damage is caused by, or arises out of, the actions of or failure to act on the part of the Grantee, any of its subcontractors, anyone directly or indirectly employed by the Grantee, or anyone performing activities at the direction of the Grantee under this agreement.
- B. Nothing herein will be construed as a waiver of any governmental immunity that has been provided to the Grantee or its employees by statute or court decisions. The Department is not liable for consequential, incidental, indirect, or special damages, regardless of the nature of the action.
- C. In the event of data and/or security breaches, the Grantee must:
 - 1. Cooperate with the Department in investigating the occurrence, making available all relevant records, logs, files, data reporting, and other materials required to comply with applicable law or as otherwise required by the Department;
 - 2. In the case of unauthorized disclosure or breach of confidential information, at the Department's sole election, with approval and assistance from the Department, notify the affected individuals with compromised Personally Identifiable Information (PII) or Protected Health Information (PHI) as soon as practicable but no later than is required to comply with applicable law and provide third-party credit and identity monitoring services to each of the affected individuals for the period required to comply with applicable law, or, in the absence of any legally required monitoring services, for no less than 24 months following the date of notification to such individuals;
 - 3. Perform or take any other actions required to comply with applicable law as a result of the occurrence, including pay for: any costs associated

with the occurrence, any costs incurred by the Department in investigating and resolving the occurrence, and reasonable attorney's fees associated with such investigation, and resolution.

XII. State of Michigan Agreement

This Agreement is governed, construed, and enforced in accordance with Michigan law, excluding choice-of-law principles, and all claims relating to or arising out of this Agreement are governed by Michigan law, excluding choice-of-law principles. Any dispute arising from this Agreement must be resolved in Michigan Court of Claims, if brought by Grantee, and in a Michigan state court of competent jurisdiction, if brought by MDHHS. Grantee consents to venue in a Michigan court of competent jurisdiction, and waives any objections, such as lack of personal jurisdiction or *forum non conveniens*. Grantee must appoint agents in Michigan to receive service of process.
