- 1 Complete, correct monthly cash request received by VAAA staff by the due date, the Subcontractor will be reimbursed for the amount of monies requested or the number of units served in the program operation during the preceding month. This will be done no later than thirty (30) days after the receipt of reports and sooner, if at all possible. The Valley Area Agency on Aging fiscal year begins October 1st and ends September 30th. Therefore, to receive payment for a current year's services, **ALL BILLING MUST BE SUBMITTED BY NOVEMBER 1st FOLLOWING THE END OF THE FISCAL YEAR, NO EXCEPTIONS.**
- 2 Where the Subcontractor has satisfied VAAA staff that it is financially unable to perform its obligations under the contract on a reimbursement basis, VAAA may permit such a Subcontractor to be compensated through the following advance payment method: Within ten (10) days after execution of the contract, the Subcontractor shall submit to VAAA staff a detailed forecast of expenses expected to occur in the first month. After the initial advance, all other payments will be made on reimbursement basis. Every expenditure transacted with said advance funds shall be documented in the same manner as is required by VAAA staff for release or disbursement of reimbursement funds. Such documentation shall be delivered to VAAA staff before any further requisition for advance funds shall be considered.
- 3 No money under this contract shall be disbursed except upon receipt of the monthly cash request and specifications of performance which shall include such information and documentation thereof as VAAA staff shall require and shall specifically satisfy those requirements set out in this contract and with regard to accounting and fiscal matters to the extent they may be applicable.

- 4 VAAA shall make all payments payable to the Subcontractor for deposit only to such bank account as the Subcontractor shall designate to VAAA staff prior to the payment of any sums to the Subcontractor under this contract.
- 5 VAAA shall maintain accurate and current records of the payments made and the sources of such payments.
- 6 The Subcontractor and VAAA shall be responsible for fiscal planning to detect over or underspending for implementation of reprogramming funds. Accurate fiscal reporting should coincide with the budget developed. The budget should be well planned so it can be used as a guide for spending.
- 7 Any funds received in excess of expenditures under the contract must be rebudgeted by the program, with VAAA approval. Such funds may be used either to expand the number of units of service to be provided or to enhance the provider's ability to operate under the contract. Final reimbursement for any fiscal year may be reduced to ensure compliance with this requirement. This provision is to support the intent of the Older Americans Act and the Michigan Nonprofit Corporation Act to have grant funds and program income be used for expansion of service operations. A nonprofit organization may earn profit under such a contract. However, revenue in excess of expenditures must be used by the organization to maintain or expand the service program.
- 8 Reprogramming will be considered by VAAA when underspending is at least ten (10) percent below the planned expenditures for the period.

C Maximum Compensation

- 1 It is expressly understood and agreed that in no event will the total amount be paid to Subcontractor by VAAA for all services to be performed under this contract budget exceed the maximum sum of \$ 852,936
- 2 The amount paid to Subcontractor by VAAA shall not exceed eighty percent (80%) of the total contract, which shall not include resources designated in the budget as "Other Resources."

13 AVAILABILITY OF FUNDS

VAAA's payment of funds for purposes of this contract is subject to and conditional upon the availability of funds for such purposes, being federal and/or state funds. VAAA may terminate this contract immediately upon written notice to the Subcontractor at any time prior to the completion of the terms of this contract if funding becomes available.

14 SEVERABILITY OF PROVISIONS

If any provision of this contract is held invalid, the remainder of this contract shall be unaffected thereby, if such remainder would then continue to conform to the terms and requirements of applicable laws.
