Vision and Mission Statements

VISION STATEMENT

“Genesee County strives to be an efficient and effective steward in delivering quality services for our diverse community. Our priority is to provide mandated services while promoting health, safety, and long-term community needs.”

MISSION STATEMENT

To provide an effective and efficient government to our residents promptly, courteously and compassionately;

To ensure an open, transparent, and financially sustainable county government. To be a leader in county government by providing a highly trained and professional staff of elected officials, appointed officials, and employees through encouraging development, openness, challenge, accountability, diversity, teamwork, and respect for every colleague;

To encourage orderly and planned growth through cooperation with residents, business, non-profits, and institutional partners to ensure a vibrant community; and

To provide a high standard of ethics on behalf of, and for, all residents.

Legacy Costs

The defined benefit pension and retiree healthcare continue to be budget challenges for the County. Both plans are closed to new hires.

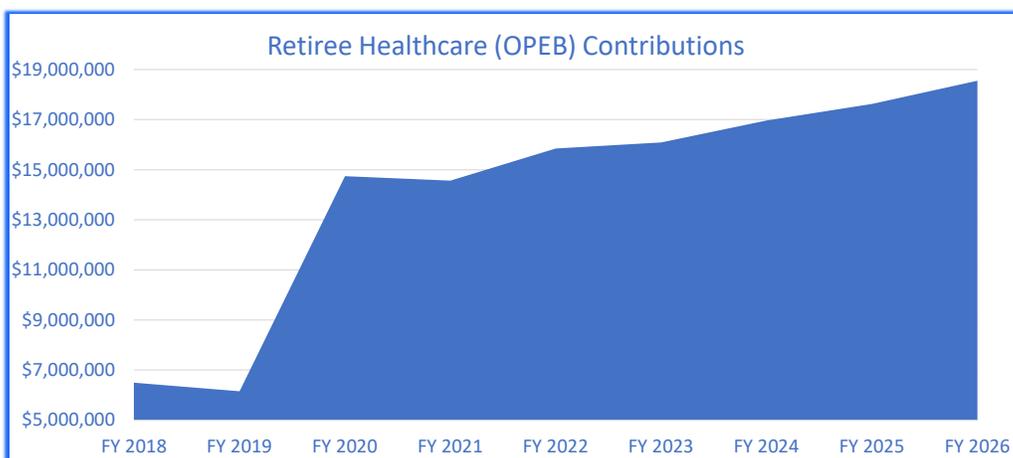

Defined Benefit Pension

The County administers a defined benefit pension plan known as the Genesee County Employees' Retirement System to provide benefits to eligible retirees. An actuary provides the minimum amount required to be contributed by the County to finance the costs of benefits earned by plan members during the year and to finance any unfunded accrued liability. The required contributions have increased from \$9 million during fiscal year ending September 30, 2017 to a projected \$13.3 million for fiscal year ending September 30, 2025. Currently the County has grants that allow for the employer costs to be funded for active employees who will be eligible for the benefit upon retirement. As these people retire and the grants no longer fund the employer cost, General Fund is burdened with additional costs for those contributions.

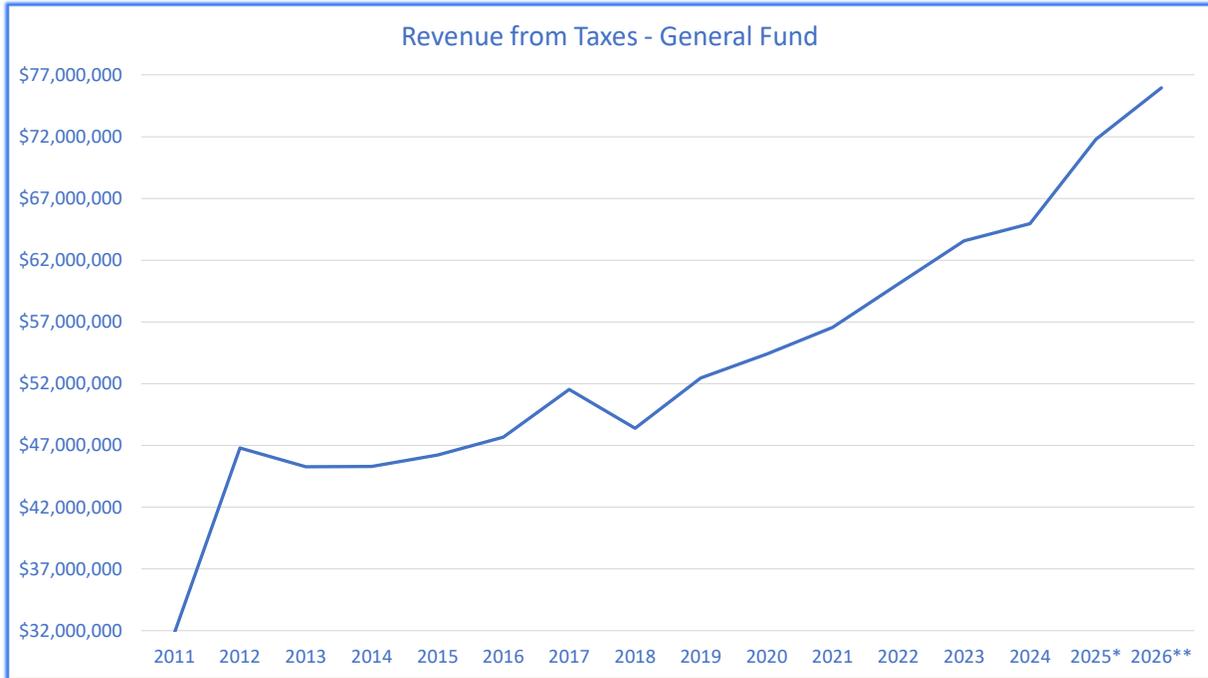

Defined Benefit Retiree Healthcare

The County administers a defined benefit retiree healthcare plan. An actuary provides the amount recommended to be contributed by the County to finance the costs of benefits earned by plan members during the year and to finance any unfunded accrued liability. The County's actual contributions have increased from \$6.5 million during fiscal year ending September 30, 2018 to a projected \$18.6 million for fiscal year ending September 30, 2026. The projected employer pay-go costs are estimated to peak at \$24.1 million in fiscal year ending September 30, 2038. Currently the County has grants that allow for the employer costs to be funded for active employees who will be eligible for the benefit upon retirement. As these people retire and the grants no longer fund the employer cost, General Fund is burdened with additional costs for those contributions.

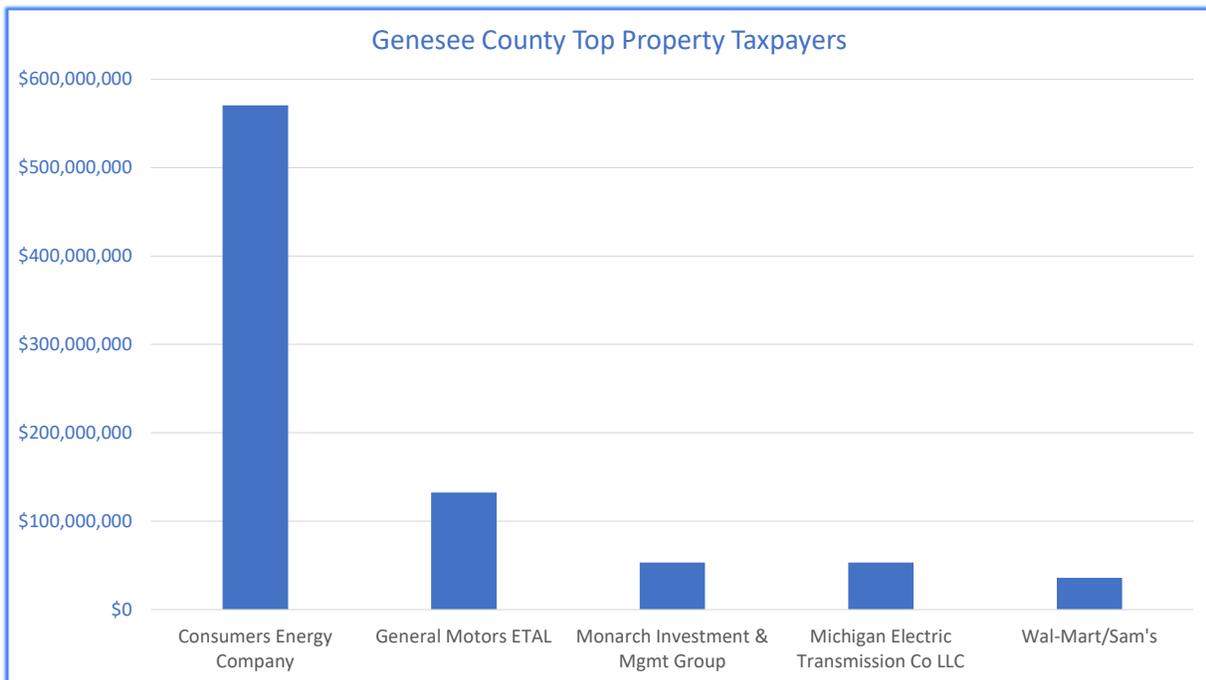

Taxes

Property taxes constitute approximately 58% of the revenue for the County in the General Fund. Multiple special revenue funds are also funded by property taxes through a special voted millage. Revenue from taxes fluctuates based on millage rates, taxable values, and the timing of collections. Any property tax payments owed to the County on September 30th and collected after 60 days of the County’s fiscal year end have to be recorded as revenue in the following fiscal year. The County experienced a significant decline in revenue from taxes from 2008 to 2011. Since 2018, the County has experienced an annual increase in this revenue source. The County levies property taxes twice a year, each July 1st for operations and each December 1st for all others.

General Fund Revenue

The General Fund's main sources of revenue are Property Taxes, Other Intergovernmental Revenue, Federal Grants and Charges for Services. Property taxes are expected to increase by approximately \$4.5 million. The largest source of Intergovernmental Revenue is state shared revenue.

General Fund Expenditures

Salaries and wages and fringe benefits (health insurance, retirement benefits, payroll taxes, etc.) are approximately 65% of the total General Fund budget. Transfers out of General Fund to other funds of the County are approximately 16% of the General Fund budget.

Administration

The Genesee County Board of Commissioners is the legislative and policy making body of County Government in Genesee County. There are nine members elected by districts to serve four-year terms. The Board of Commissioner's primary responsibility is the development and administration of the annual Genesee County budget. Their fiscal responsibilities include developing policies and procedures to maintain public accountability, approval of contracts, collective bargaining, personnel procedures and appointment to various oversight boards and commissions.

Equalization

The Equalization Department has statutory and formal duties relating to the equalization process, millage rollbacks, apportionment, and taxable value reporting. The equalization process sets the property tax base for Genesee County and helps to ensure that property taxes are levied in a fair and equitable manner. A significant portion of Genesee County's General Fund Revenues are generated from property taxes.

The Equalization Department advises and assists the Board of Commissioners in equalizing property assessments on a county-wide basis. In compliance with state directives the Department conducts annual sales and appraisal studies. These studies are used to equalize assessed values for each class of property in each of the twenty-eight local units of government within Genesee County.

The Department assists local assessing officers in the discovery, listing and valuation of properties for tax purposes, and in the development and use of valuation standards and techniques for the assessment of property.

Register of Deeds

The Register of Deeds is a constitutional office established by the Michigan State Legislature as the custodian of legal documents pertaining to real property. The Register of Deeds office records documents pertaining to all real property transactions pursuant to the Michigan Recording Act. The goal of the Genesee County Register of Deeds office is to serve the citizens of Genesee County by providing excellent customer service. To accomplish this goal, we use the latest technology available and implement continuous improvement strategies.

7th Circuit Court

The 7th Circuit Court is the court of general jurisdiction in Genesee County and has the broadest powers. The Court handles civil cases with claims of \$25,000 or more, felony criminal cases, domestic cases involving divorce, paternity, adoptions, personal protection actions, emancipation of minors, treatment and testing of infectious disease, safe delivery of newborns, name changes, juvenile offenses, juvenile guardianships, and child protective proceedings. In addition, the circuit court has jurisdiction in cases appealed from other trial courts or administrative agencies. The Legal Records Division is the point for filing civil, domestic, and criminal cases. The division also maintains the official court records pursuant to the standards established by the State Court Administrative Office (SCAO).

Prosecutor

The Prosecuting Attorney (PA) is an office created and mandated by the Michigan Constitution. The PA is elected on a partisan basis every 4 years. The PA represents the People of the State of Michigan in all felony crimes that occur within the county as well as misdemeanors charged under state law. Referrals for prosecution come to the PA from the Michigan State Police, the Genesee County Sheriff as well as the police agencies representing cities, townships and villages within the county. Certain statewide law enforcement agencies may also refer cases to the PA. Felony cases are handled by the PA in both District and Circuit Courts. Juvenile Delinquency matters are also handled by the PA in the Circuit Court's Family Division. The PA also represents the Michigan Department of Health and Human Services (MDHHS) in child abuse and neglect cases seeking to improve the lives of those children at risk. The PA also seeks paternity establishment and child support on behalf of the MDHHS. The PA receives funding from multiple sources including the State of Michigan general fund, the Genesee County general fund, multiple federal and state grants as well as private foundation dollars in cooperation with the City of Flint.

Medical Examiner

The Genesee County Medical Examiner Office is charged with determining the cause and manner of death in cases that fall within its jurisdiction. These typically involve deaths due to trauma (i.e. deaths due to causes that are not considered natural disease) as well as deaths of individuals with no medical history. Postmortem examination of these bodies (i.e. autopsy) is conducted by physicians whose medical specialty is Forensic Pathology, with one physician acting as the Medical Examiner and all other physicians being Deputy Medical Examiners. The Medical Examiner and Deputy Medical Examiners also provide court testimony regarding their autopsy findings and oversee the activity of other staff including Medical Examiner Investigators who respond to death scenes. In cases that do not require an autopsy but involve individuals with no attending physician available to sign the death certificate, the Medical Examiner completes the death certificate. The office is tasked with reviewing and authorizing all cremation permits in the county and handles the final disposition of deceased individuals that are unclaimed. The Genesee County Medical Examiner Office assists the Genesee County health department with disease surveillance. This role is particularly important during periods of increased rates of infectious disease in the community as has been true during fiscal years 2019-2020 and 2020-2021 (i.e. COVID-19 pandemic).

Community Action Resource Department Fund

Genesee County Community Action Resource Department (GCCARD) is one of the oldest and largest human service agencies in Genesee County. GCCARD's purpose is to help "break the cycle of poverty" by mobilizing and utilizing resources, public and private in the Genesee County area. Our aim is to help the whole family from Head Start services to Nutrition services for the elderly and youth and everything in between. This would include assisting with utilities and rental assistance through the Neighborhood Service Center, home repairs with the Weatherization Program and supplemental food and food emergencies through the Commodities Program. GCCARD is committed to alleviating the causes and circumstances of poverty and is the federally designated anti-poverty organization for Genesee County. GCCARD is also a member of the Michigan Community Action Agency Association and the National Community Action Partnership.

Administration of Justice Funds

This fund accounts for programs that provide support to local court activities within Genesee County. Financing is provided through various federal and state grants and General Fund appropriations.

Friend of the Court:

The Friend of the Court is responsible for enforcing and administering the domestic relations orders of the 7th Judicial Circuit Court. As the enforcement arm of the 7th Judicial Circuit Family Division, the Friend of the Court collects millions of dollars for families in the County each year and enforces custody and parenting time orders to provide parents with access to their children. While administering domestic relations orders, the Friend of the Court assists families with obtaining appropriate child support, parenting time, and custody orders through stipulated orders, mediation, or referee hearings, or recommended orders.

Public Defender:

The Office of the Public Defender, in its initial collaboration, is responsible for providing legally constituted representation of indigent defendants charged with misdemeanor offenses, felony offenses, and any miscellaneous criminal offenses that may be charged in Genesee County. The Office ensures compliance with the legislative, and Court decisions developed by the Standards set through the Michigan Indigent Defense Commission. The Office secures funding through the grant application process, with the current grant's scheduled approval, the Office can fulfill the mission of having a full complement of staff focused on the representation of independent defendants in Genesee County.

Animal Shelter Fund

Genesee County Animal Control is a public safety organization, and its primary focus is keeping our streets free of dangerous dogs. The shelter enforces Michigan's license and leash laws, investigates cruelty and neglect complaints and assists other public safety organizations in animal cases. The shelter also oversees bite quarantines, inspects kennels and helps with animal rescues in dangerous circumstances. Animal Control houses dogs and cats, and sometimes other animals such as rabbits, guinea pigs, birds and hamsters come into its care. All animals receive vaccinations at intake, and all un-owned animals are sterilized before they leave the shelter. The shelter sells dog licenses, helps reunite lost pets with their owners and has a successful adoption program for homeless pets. The shelter also operates an Outreach Program in the community to assist in the general health of the County's animal population and to help educate our community on responsible pet ownership.

Planning Commission Funds

The Genesee County Metropolitan Planning Commission (GCMPC) is responsible for a variety of planning and funding efforts. GCMPC is the designated planning agency for federally funded transportation planning processes and administers HUD Community Development funding on behalf of the County. In addition, it is the agency designated by the State of Michigan to carry out solid waste planning for the County. GCMPC is responsible for the administration/allocation of over \$7.5 million dollars for community projects and activities. Comprehensive planning efforts are carried out to benefit our local units of government and agencies to create efficiencies and determine the best use of program dollars.

Veterans Millage Fund

The Department of Veterans Services is responsible for assisting the county's veteran population with obtaining benefits through the Veterans Benefits Administration as well as other Federal, State and County level resources depending on what their need is. Genesee County has a veteran population consisting of approximately 24,919 veterans. This number does not include their dependents (spouse & children) who also have benefits available to them through the veteran. Through our daily operations we are directly involved with providing a better quality of life for our veterans by getting them connected to monetary, health, education and burial benefits they didn't know they were entitled to. In addition to this effort, we take the strain of local resources by tapping into their Federal benefits. In 2019, The Veterans Benefits Administration spent 175.9 million dollars in Genesee County so our veterans and/or dependents can have their compensation, pension, education, medical care and burials benefits that they rightfully earned and deserve.

Proprietary Funds

Enterprise funds sell goods or services to the public for a fee. An enterprise fund uses the same accounting framework followed by entities in the private sector. Genesee County has the following enterprise funds:

- Delinquent Tax Revolving Funds
- Parking Meter Fund
- Commissary Fund
- Parks and Recreation – Enterprise Fund

Delinquent Tax Revolving Funds

These funds account for the activities of the delinquent real property tax purchase program whereby the County purchases the outstanding taxes from each local taxing unit. The County in turn collects those delinquent taxes along with penalties and interest.

Component Units

The County budgets for two component units as part of the County budget process which include:

- Drains
- Brownfield Authority
- Economic Development Corporation

Drains

These separate legal entities represent drainage districts established pursuant to Act 40, P.A. 1956, as amended, of the Michigan Drain Code. The oversight of these districts is the responsibility of the Genesee County drain commissioner, an elected position that is funded by Genesee County, Michigan. The County lends its full faith and credit toward payment of the special assessment bonds issued for the projects. The County can significantly influence the operations of the Drain Commission since the County Board of Commissioners approves the Drains' budgets.

Fiduciary Funds

Fiduciary funds are used to account for resources held for the benefit of parties outside the government. The County budgets for the retiree health care accounted for in a trust fund as part of its budgeting process.

VEBA Fund

The Employees' Fringe Benefit (VEBA) Fund accounts for employee and employer contributions, investment income, and accumulated assets set aside with the intent to accumulate adequate funds to defray part of the cost of retiree medical benefits in future years.
