Dear Commissioner Avery:

In response to the request of Genesee County dated June 16, 2025, the Mott Foundation has approved an extension of the grant period for the above-referenced project.

The revised grant period is now June 1, 2024, through July 31, 2025. The revised reporting requirements are as follows:

As a result of this grant period extension, the projected renewal grant, if awarded, would not start until the end of this grant extension.

All other terms and conditions of this grant remain unchanged.
