E. Financial Reporting Requirements:

Financial reporting requirements shall be followed as defined within this section.

1. Reimbursement Method/Mechanism:

- a. All Contractors must register as a vendor to receive State of Michigan payments as Electronic Funds Transfers (EFT)/Direct Deposits. Vendor registration information is available on the State of Michigan SIGMA Vendor Self Service (VSS) website located at <https://sigma.michigan.gov/webapp/PRDVSS2X1/AltSelfService>.
- b. This Agreement is reimbursement only. Contractor must document that expenditures have been paid by local sources before requesting reimbursement from the Department.
- c. Reimbursement from the Department is based upon the understanding that Department funds will be paid up to the total Department allocation as agreed upon in the approved Budget. Department funds are the first source after the application of fees and earmarked sources unless a specific local match condition exists.
- d. Should the Contractor discover an error in a previous reimbursement request, the Contractor shall immediately notify the Department and refund to the Department any funds not authorized for use under this Agreement and any payments or funds advanced to the Contractor in excess of allowable reimbursable expenses.

2. Financial Status Report (FSR) Submission:

Once the Agreement has been signed and accepted, regardless of when this occurs, the Contractor is responsible for preparing and submitting a FSR for each month of the Agreement period, as specified in MAGIC+. The various FSRs are outlined below:

a. Monthly FSR:

Monthly FSRs must be prepared and submitted to the Department in MAGIC+, no later than 30 days after the close of each calendar month. An example is found in Attachment 5, which is part of this agreement through reference. Each month's reimbursement request may only contain expenses from that month. Reimbursement requests that include more than one month's expenditure(s) may not be granted and will be returned to the Contractor for explanation and/or correction and re-submission. An Invoice Index must also be submitted detailed the reimbursement request. All supporting documentation, invoices, and proof of payment must be submitted with the monthly FSR.

b. Obligation Report:

An Obligation Report, based on annual guidelines, is a one-time FSR and must be submitted by the specified due date in MAGIC+. In this report, the Contractor will provide to the Department an estimate of total expenditures for the MAGIC+ date-specific Agreement period. The information from this report will be used to record the Department's year-end accounts payables and receivables for this Agreement.

c. Final FSR:

A Final FSR is due 30 days following the end of the fiscal year or Agreement period specified in MAGIC+. Final FSRs not received from the Contractor by the due date may result in the loss of funding requested on the Obligation Report and/or a potential reduction in the subsequent year's award, if/when applicable.

3. Unobligated Funds:

Any unobligated balance of funds held by the Contractor at the end of the Agreement period will be returned to the Department or treated in accordance with instructions provided by the Department.

4. **Program Income:**

The US DOJ regulations allow Contractors to keep funds (program income) derived from grant activities, so long as these funds are used for the same purposes as the grant project. In the absence of such regulations, these funds would be required to be returned to the DOJ.

Program income means the gross income earned by the Contractor during the Agreement period as a direct result of the grant project.

All income generated as a direct result of a Department-funded project shall be deemed program income.

Program income may be used to further program objectives under this Agreement or may be refunded to the Department. Program income must be used for the purposes of, and under the conditions applicable to, the award specified in this Agreement. Program income may only be used for allowable program costs.

Asset forfeiture and treatment/lab fees are the most prominent program income derived from grant activity. The DOJ regulations require that program income be held in the custody of a governmental entity, with reporting on those funds to the State Administrative Agency (the Department).

When applicable, Program Income Reports (GRANTS-208B) are to be filed quarterly in MAGIC+.

Any program not earning program income must fill out and submit to the Department a Program Income Waiver Report (GRANTS-208A) in MAGIC+ within 30 days of the acceptance of this Agreement.

5. **Audits:**

This section applies to Contractors designated as subrecipients. Contractors designated as vendors are exempt from the provisions of this section.

a. **Single Audit:**

Contractors exempt from the Single Audit requirements that receive less than \$500,000 of total Department grant funding must submit to the Department a Financial Statement Audit prepared in accordance with GAAS if the audit includes disclosures that may negatively impact Department-funded programs including, but not limited to fraud, financial statement misstatements, and violations of contract and grant provisions.

The Department may retain the amount withheld if the Contractor is more than 120 days delinquent in meeting the filing requirements and an extension has not been approved by the cognizant or oversight agency for audit. The Department may terminate the current grant if the Contractor is more than 180 days delinquent in meeting the filing requirements and an extension has not been approved by the cognizant or oversight agency for audit.

It will assist the awarding agency, if necessary, in assuring compliance with section 106 of the National Historic Preservation Act of 1966, 16 U.S.C. § 470, Executive Order 11593 (Protection and Enhancement of the Cultural Environment), the Archeological and Historical Preservation Act of 1974, 16 U.S.C. § 469 a-1 *et seq.*, and the National Environmental Policy Act of 1969, 42 U.S.C. § 4321.
5. It will comply with Executive Order 13279 (Equal Protection of the Laws for Faith-Based and Community Organizations), Executive Order 13559 (Fundamental Principles and Policymaking Criteria for Partnerships With Faith-based and Other Neighborhood Organizations), and the DOJ regulations on the Equal Treatment for Faith-Based Organizations, 28 C.F.R. Part 38, which prohibits recipients from using DOJ financial assistance on inherently or explicitly religious activities and from discriminating in the delivery of services on the basis of religion. Programs and activities must be carefully structured to ensure that DOJ financial assistance is not being used for literature, classes, meetings, counseling sessions, or other activities that support twelve-step programs, which are considered to be religious in nature. The twelve-step programs must take place at a separate time or location from the activities supported with DOJ financial assistance and the participation of beneficiaries in twelve-step programs is strictly voluntary. It must make clear to any and all vendors and program participants that twelve-step programming is separate and distinct from DOJ-funded activities. It must also ensure that participants are not compelled to participate in twelve-step programs and cannot penalize a participant who chooses not to participate in a twelve-step program. It must ensure that employees fully funded by DOJ are not involved with twelve-step programs whereby they are instructing or indoctrinating clients on the twelve steps. Employees of the Contractor or subcontractor shall clearly document the number of hours spent on secular activities associated with the DOJ-funded program and ensure that time spent on twelve-step programs is completely separate from time spent on permissible secular activities. In addition, at least one secular program must be provided as an alternative to twelve-step programming.
6. It will provide meaningful access to grant-funded programs and activities to Limited English Proficient (LEP) persons in accordance with Title VI of the Civil Rights Act of 1964 and the Omnibus Crime Control and Law Enforcement Act, 34 U.S.C § 10228. For a detailed discussion of the requirement to provide meaningful access to LEP persons, refer to the guidance issued by the DOJ on this matter entitled, "Guidance to Federal Financial

Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons," 67 FR 41455-01 (June 18, 2002).

It will comply and require any and all subcontractors to comply with any applicable statutorily-imposed nondiscrimination requirements, including the Omnibus Crime Control and Law Enforcement Act, 34 U.S.C. § 10228; the Victims of Crime Act of 1984, 34 U.S.C. § 20110(e); the Juvenile Justice and Delinquency Prevention Act of 2002, 38 U.S.C. § 1118(b); the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq.*); the DOJ implementing regulations at 28 C.F.R. Part 42, Subpart C; the DOJ implementing regulations at 28 C.F.R. Part 42, Subpart D; Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794); the DOJ implementing regulations at 28 C.F.R. Part 35; the Rehabilitation Act of 1973, 29 U.S.C. § 794; the Americans with Disabilities Act of 1990, 42 U.S.C. § 12131-34; Title IX of the Education Amendments of 1972, 20 U.S.C. §§ 1681, 1683, 1685-86; and, the Age Discrimination Act of 1975, 42 U.S.C. §§ 6101-07; The DOJ regulations on the Equal Treatment for Faith-Based Organizations, 28 C.F.R. Part 38; The Michigan Elliott-Larsen Civil Rights Act, MCL 37.2101 *et seq.*; and the Michigan Persons With Disabilities Civil Rights Act, MCL 37.1101 *et seq.*

a. **Notification:**

It may not discriminate in employment on the basis of race, color, national origin, religion, sex, and disability and may not discriminate in the delivery of services or benefits on the basis of race, color, national origin, religion, sex, disability, and age. These laws also prohibit retaliation against an individual for taking action or participating in action to secure rights protected by these laws. It shall notify all clients, customers, program participants, or consumers of the types of prohibited discrimination, as well as the complaint procedures, in writing. Notification may include placing posters in an area that may be easily viewed by all and/or providing a paper copy to each of the listed types of individuals. It shall forward all discrimination complaints to the Department as described in the complaint procedures in Attachment 7. Subcontractors, clients, customers, program participants or consumers may also report complaints to the Office of Justice Programs (OJP)/Office for Civil Rights (OCR) or the Michigan Department of Civil Rights (MDCR) directly, as outlined in Attachment 7, but the Contractor shall notify the Department of the complaint as soon as the complaint is known. In the event that a Federal or State court, or Federal or State Administrative Agency, makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, sex, or disability against the Contractor or subcontractor, the Contractor shall forward a copy of the finding to the OJP/OCR and the Department.

b. **Training:**

Any and all DOJ-funded employees of the Contractor and subcontractors shall receive periodic training at least once every contract year regarding the responsibility of the entities to comply with applicable federal civil rights laws as a recipient of federal funds. The Department shall provide the Contractor with access to training developed by the OJP/OCR, which may be found at <https://www.ojp.gov/about/ocr/ocr-training-videos/video-ocr-training.htm>. The DOJ-funded employees of the Contractor shall complete the required training within 90 days of the start date of this Agreement and certify that the required training has been completed by signing the OCR Compliance Training Form. New employees shall complete the required training and provide a signed OCR Compliance Training Form to the Department within 90 days of the date of hire.

c. **Monitoring:**

The Department shall ensure that the Contractor is complying with all applicable civil rights laws and procedures by completing the Civil Rights Compliance Questionnaire, see Attachment 8, with the Contractor during site monitoring visits and desk audits.

7. It shall determine if an Equal Employment Opportunity Plan (EEOP) is required, pursuant to 28 C.F.R. 42.301 *et seq.* If the Contractor is not required to formulate an EEOP, a certification form shall be sent to the OJP/OCR and the Office of Personnel Management (OPM) indicating that an EEOP is not required. If the Contractor is required to develop an EEOP, but is not required to submit the EEOP to the OCR, a certification form shall be sent to the OCR and the Department certifying that an EEOP is on file which meets the applicable requirements. If the Contractor is awarded a grant of \$500,000 or more, and has 50 or more employees, a copy of the EEOP shall be submitted to the OJP/OCR and OPM. Non-profit organizations, Indian Tribes, and medical

and educational institutions are exempt from the EEOP requirement, but are required to submit a certification form to the OCR to claim the exemption (a copy of the form shall be submitted to the OPM). Additional information about the EEOP requirements may be found at <https://www.ojp.gov/about/ocr/eeop.htm>.

8. If the Contractor is a governmental entity:

- a. It will comply with the requirements of the Uniform Relocation Assistance and Real Property Acquisitions Policies Act of 1970, 42 U.S.C. § 4601 *et seq.*, which governs the treatment of persons displaced as a result of federal and federally-assisted programs; and,
- b. It will comply with requirements of 5 U.S.C. §§ 1501-08 and §§ 7324-26, which limit certain political activities of state or local government employees whose principal employment is in connection with an activity financed in whole or in part by federal assistance.

G. Non-Supplanting:

It is imperative that the Contractor understand that the nonsupplanting requirement mandates that grant funds may be used only to supplement (increase) a Contractor's budget, and may not supplant (replace) state, local or tribal funds that a Contractor, inclusive of any subcontractors, otherwise would have spent on positions and/or any other items approved in the Grant Budget if it had not received a grant award.

This means that if your agency plans to:

1. Hire new positions (including filling existing vacancies that are no longer funded in your agency's budget), it must hire these additional positions on or after the official grant award start date, above its current budgeted (funded) level of positions.
2. Rehire personnel who have already been laid off (at the time of application) as a result of state, local, or tribal budget cuts, it must rehire the personnel on or after the official grant award start date, and maintain documentation showing the date(s) that the positions were laid off and rehired.
3. Maintain personnel who are (at the time of application) currently scheduled to be laid off on a future date as a result of state, local, or tribal budget cuts, it must continue to fund the personnel with its own funds from the grant award start date until the date of the scheduled lay-off and maintain documentation showing the date(s) and reason(s) for the lay-off. For example, if the grant award start date is July 1 and the lay-off is scheduled for October 1, then the grant funds may not be used to fund the officers until October 1, the date of the scheduled layoff.

Please note that as long as your agency can document the date that the lay-off(s) would occur if the grant funds were not available, it may transfer the personnel to the grant funding on or immediately after the date of the lay-off without formally completing the administrative steps associated with a lay-off for each individual personnel.

4. Documentation that may be used to prove that scheduled lay-offs are occurring for local economic reasons that are unrelated to the availability of grant funds may include (but are not limited to) council or departmental meeting minutes, memoranda, notices, or orders discussing the lay-offs; notices provided to the individual personnel regarding the date(s) of the layoffs; and/or budget documents ordering departmental and/or jurisdiction-wide budget cuts. These records must be maintained with your agency's grant records.

H. Hatch Political Activity Act and Intergovernmental Personnel Act:

The Contractor will comply with the Hatch Act of 1939, 5 U.S.C. 1501-08, and the Intergovernmental Personnel Act of 1970, as amended by Title VI of the Civil Service Reform Act of 1978, 42 U.S.C. 4728. Federal funds cannot be used for partisan political purposes of any kind by any person or organization involved in the administration of federally-assisted programs.

I. Health Insurance Portability and Accountability Act of 1996:

To the extent that the Health Insurance Portability and Accountability Act (HIPAA) of 1996 is pertinent to the services

that the Contractor provides to the Department under this Agreement, the Contractor assures that it is in compliance with the HIPAA requirements including the following:

1. The Contractor must not share any protected health data and information provided by the Department that falls within the HIPAA requirements except to a subcontractor, as appropriate under this Agreement.
2. The Contractor must require the subcontractor not to share any protected health data and information from the Department that falls under the HIPAA requirements in the terms and conditions of the subcontract.
3. The Contractor must only use the protected health data and information for the purposes of this Agreement.
4. The Contractor must have written policies and procedures addressing the use of protected health data and information that falls under the HIPAA requirements. The policies and procedures must meet all applicable federal and state requirements including the HIPAA regulations. These policies and procedures must include restricting access to the protected health data and information by the Contractor's employees.
5. The Contractor must have a policy and procedure to report to the Department unauthorized use or disclosure of protected health data and information that falls under the HIPAA requirements of which the Contractor becomes aware.
6. Failure to comply with any of these contractual requirements may result in the termination of this Agreement in accordance with Section XI, Agreement Suspension/Termination, above.
7. In accordance with the HIPAA requirements, the Contractor is liable for any claim, loss, or damage relating to unauthorized use or disclosure of protected health data and information received by the Contractor from the Department or any other source.

Such an exception would require prior approval from the Department and the DOJ. This restriction does not apply to water provided at no cost, but does apply to any and all other refreshments, regardless of the size or nature of the meeting. Additionally, this restriction does not impact direct payment of per diem amounts to individuals in a travel status under your organization's travel policy .

XVIII. Conditions on Expenses:

Costs must be reasonable and necessary. If required by the local jurisdiction, costs must be sustained by competitive bids. All contracts and subcontracts require prior approval by the Department. GRANT SUMMARY

Attachment 1

RSAT-90009-Genesee County Sheriff-2026

Opioid Use Disorder (OUD) is a public health crisis affecting our community and is highly prevalent among justice-involved individuals. Incarceration poses challenges to providing the proper care to individuals experiencing OUD. This program will support a medication-assisted treatment (MAT) program. This program will work hand in hand with our current partners to ensure the best possible outcome.

STATEMENT OF WORK

RSAT-90009-Genesee County Sheriff-2026

Maintaining a census of approximately 600 individuals, the Genesee County Jail holds a large number of individuals with complex needs. Historically, people have been lodged with very little support, but a program called I.G.N.I.T.E. (Inmate Growth Naturally and Intentionally Through Education) was established in 2020 providing education opportunities such as high school diploma, financial empowerment, nutrition, electrical, carpentry, and CDL training. Offering education opportunities to justice-involved individuals has proven to create a tremendous amount of positive momentum, but there is still a major need to provide additional supports as they return home.

The R.I.S.E. Team was formed in 2023 and has begun providing mental health support, peer recovery coaching, and case management for social determinants of health in the Genesee County Jail and as people return home. While this has been helpful in building capacity to address the behavioral health needs of justice-involved individuals in Genesee County, there is still a major need to further develop programming that increases access to MAT/MOUD for this vulnerable population.

When people enter into the criminal justice system, their access to treatment changes. Many will lose insurance benefits and services. For those who begin receiving services while incarcerated, many lose access, sometimes immediately, when they return to the community. This can be particularly dangerous for people who suddenly lose access to prescribed medications. To ensure the best possible outcomes for individuals, which includes keeping them out of jails and prisons; it is essential that we create systems that support people as they transition both in and out of incarceration. People should receive appropriate support services while incarcerated and have a plan that connects them to community-based services and adequate insurance coverage prior to returning to the community, which is the mission of the R.I.S.E. Team.

Over the past year, the contracted medical provider in the Genesee County Jail, Advanced Correctional Healthcare (ACH) continued to provide Naltrexone (Vivitrol) on a limited basis. While this benefits a limited number of people, the GCSO desires to increase access to Naltrexone and Buprenorphine products (Suboxone, Sublocade, and/or Brixadi) as well as Methadone in the Genesee County Jail. GCJ recently changed its jail medical vendor to Vital Core, who is well positioned to support continuations and as well as inductions for individuals who meet criteria for MAT/MOUD upon entering the jail. GCJ will work in partnership with Vital Core, New Paths, Inc., and an OTP methadone provider to accomplish this work.

Implementation will include new assessment tools upon admission to identify individuals in need of continuing MAT/MOUD, new processes for prescribing the necessary medications and changes to provider roles based on medication type, new staff workflows to ensure each client is enrolled in jail-based outpatient treatment and receiving Peer Recovery Coaching throughout the service delivery period, and enhanced procedures for developing individualized aftercare plans with each participant prior to reentry.

SUBJECT: Discrimination Complaint Procedures for Federal Grant-Funded Projects

I. Purpose

As a condition for receiving funding from the U.S. Department of Justice (DOJ), all recipients and subrecipients of such funding must comply with applicable federal civil rights laws. This document will establish written procedures for MSP employees and DOJ-funded grant subrecipients to follow if a complaint alleging discrimination is received from clients, customers, program participants, or consumers of a MSP subrecipient implementing funding from the DOJ.

II. Policy

Recipients and subrecipients of DOJ funding may not discriminate in employment on the basis of race, color, national origin, religion, sex, and disability. They also may not discriminate in the delivery of services or benefits on the basis of race, color, national origin, religion, sex, disability, and age. The MSP will notify subrecipients of their required compliance with the following statutes and regulations through the interagency agreement:

■ The Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. § 3789d); the Victims of Crime Act (42 U.S.C. § 10604(e)); the Juvenile Justice and Delinquency Prevention Act of 2002 (42 U.S.C. § 5672(b)); the Civil Rights Act of 1964 (42 U.S.C. § 2000d); the Rehabilitation Act of 1973 (29 U.S.C. § 794); the Americans with Disabilities Act of 1990 (42 U.S.C. §§ 12131-34); the Education Amendments of 1972 (20 U.S.C. §§ 1681, 1683, 1685-86); the Age Discrimination Act of 1975, (42 U.S.C. §§ 6101-07), Ex. Order 13279 (equal organizations); and 28 C.F.R. Part 38 (U.S. Department of Justice Equal Treatment for Faith-Based Organizations).

■ 28 CFR 42.301 et seq, which requires recipients determine if it is required to formulate an Equal Employment Opportunity Plan (EEOP). If the recipient is not required to formulate an EEOP, it will submit a certification form to the U.S. Department of Justice, Office of Justice Programs, Office for Civil Rights (OCR), and the Office of Personnel Management (OPM) indicating that it is not required to develop an EEOP. If the recipient is required to develop an EEOP, but is not required to submit the EEOP to the OCR, it will submit a

certification form to the OCR and the MSP certifying that it has an EEOP on file which meets the applicable requirements. If the recipient is awarded a grant of \$500,000 or more and has fifty or more employees, it will submit a copy of its EEOP to the OCR and OPM. Non-profit organizations, Indian Tribes, and medical and educational institutions are exempt from the EEOP requirement, but are required to submit a certification form to the OCR to claim the exemption (a copy of the form should also be submitted to the OPM).

- Title VI of the Civil Rights Act of 1964 and the Omnibus Crime Control and Safe Streets Act of 1968m, which require subrecipients to provide meaningful access to programs and activities to Limited English Proficient (LEP) persons.

- The Michigan Elliott-Larsen Civil Rights Act, MCL 37.2101 et. Seq, which prohibits discriminatory practices, policies, and customs in the exercise of those rights based upon religion, race, color, national origin, age, sex, height, weight, familial status, or marital status in Michigan.

- The Michigan Persons With Disabilities Civil Rights Act, Act 220 of 1976, which defines the civil rights of persons with disabilities; to prohibit discriminatory practices, policies, and customs in the exercise of those rights; to prescribe penalties and to provide remedies; and to provide for the promulgation of rules.

These laws also prohibit agencies from retaliating against an individual for taking action or participating in action to secure rights protected by these laws.

In the event that a Federal or State court, or Federal or State Administrative Agency, makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, sex, or disability against the Contractor, subcontractor or vendor, they will forward a copy of the finding will be forwarded to the Office for Civil Rights, Office of Justice Programs and the Department.

The MSP will notify its own employees of their required compliance with the preceding civil rights statutes and regulations through an Official Order.

IV. Complaint Procedures

The following are MSP's procedures for accepting and responding to discrimination complaints from subrecipient employees, clients, customers, program participants, or consumers of a MSP subrecipient implementing funding from the DOJ:

1. All discrimination complaints associated with DOJ grants shall be submitted to the Grants and Community Services Division (GCSD) by mail, telephone or e-mail to:

The GCSD Director will send the complainant a letter within 10 days from the date it was received to acknowledge receipt of the complaint, notify the complainant that it has been submitted to the Michigan Department of Civil Rights, and inform the complainant that he or she may also file a complaint directly with the federal Office for Civil Rights (OCR) at:

Office of Justice Programs
Office for Civil Rights
810 7th Street NW
Washington, DC 20531
(202) 307-0690
Fax: (202) 616-9865
TTY: (202) 307-2027

3. Within 10 days of the receipt of the complaint, the GCSD Director will send an email to the DOJ subrecipient to notify the agency that a complaint against has been filed against it.
4. The GCSD Director will forward the complaint to the Inspector of the MSP Office of Human Resources (OHR) immediately upon receipt of the complaint. The OHR Inspector or his or her designee will serve as the coordinator for all complaints regarding civil rights violations and will immediately forward the complaint to the Michigan Department of Civil Rights by emailing MDCRServiceCenter@michigan.gov. If MDCR informs the MSP that it does not have jurisdiction to investigate the complaint, the OHR Inspector will forward the complaint to the OCR for investigation.

The preceding complaint procedures are an attachment to the subrecipient contracts for all DOJ grants awarded by the MSP. Subrecipients must notify all clients, customers, program participants, or consumers of the types of prohibited discrimination, as well as the complaint procedures, in writing. Notification may include placing posters in an area that may be easily viewed by all and/or providing a paper copy to each of the listed

types of individuals. Subrecipients must forward all discrimination complaints to the MSP as described in the complaint procedures. Subcontractors, clients, customers, program participants or consumers may also report complaints to the Office of Justice Programs/Office for Civil Rights or the Michigan Department of Civil Rights directly, but the MSP must be notified of the complaint by the subrecipient as soon as the complaint is known.

The MSP will ensure that all subrecipients are in compliance with the identified statutes and regulations by reviewing subrecipient procedures during site visits and other subrecipient monitoring activities.

5. The MSP, in cooperation with MDCR and OCR, will review and complete complaint investigations within 120-days. Complainants will receive written notification of the completion of the investigation and any associated findings within 10-days of the completion of the investigation. If the complexity of the investigation precludes this 120 day timeline from being met, the MSP shall notify the complainant in writing when it becomes aware that the investigation will not meet the 120 day timeline. This correspondence shall include a new timeline with an estimated completion date.

V. Training

All DOJ-funded MSP employees and subrecipients will receive periodic training at least once every contract year regarding their responsibility to comply with applicable federal civil rights in their capacity as a recipient of federal funds. Additionally, training will include review of these complaint procedures, including the employee's responsibility to refer discrimination complaints from clients, customers, program participants, or consumers to the appropriate MSP contact. The GCSD will provide DOJ-grant subrecipients and DOJ-funded MSP employees with access to OCR training modules, found on OCR's website, <http://www.ojp.usdoj.gov/about/ocr/assistance.htm>. Subrecipients will be required to certify they have completed this training during the first quarter of each grant cycle as part of their grant award agreement with the MSP.

These procedures and training requirements will also be disseminated to MSP employees via departmental memorandum and posted on the MSP intranet website. New employees will receive a copy of the procedures and access to the DHS training program during initial job training from any supervisor managing DOJ-funded employees.

VI. Monitoring

The GCSD has implemented a two-part process to ensure and monitor sub-recipients compliance with civil rights laws. Applicants must annually complete and submit to the GCSD the Civil Rights Compliance Questionnaire. Additionally, MSP grant advisors will complete the Civil Rights Compliance Questionnaire with applicants during on-site monitoring visits.

VII. Policy Dissemination

This policy shall be distributed to all MSP employees via a department-wide memorandum contingent upon final OCR approval. Additionally, the policy will be distributed via MSP's grant award agreement with DOJ-funded subrecipients as part of the standard grant award package.
