EXHIBIT A
Scope of Work

Electronic legal research is used by judges, judicial law clerks and all other Genesee County employees who are attorneys.

The State of Michigan has a MiDEAL contract #C20000000622 with West Publishing Corporation (Thomson Reuters). Under this agreement, local units of government may enter into contracts with West Publishing and take advantage of state negotiated pricing.

The scope of work satisfies the legal research requirements for the Courts and other County Departments, as set forth in each of the attached "Thomson Reuters Order Forms."

An additional research option referred to as CLEAR, a "people locator" tool for enforcement of court orders, is part of this scope of work for a limited number of non-attorney subscribers.

Limited hard copy legal publications are also necessary and subject to a discounted rate from this vendor. Courts and departments, with attorney staff members, work individually with this vendor based on customized needs.

Additional scope of work information is attached.
